Forecast for Thursday 31 Mar 2022

Weather: Mainly dry through the morning with good sunny spells. Occasional showers spreading across the range during the afternoon and evening, wintry to all levels and the odd rumble of thunder is possible. Cold, particularly at height with fresh north/northeasterly winds.

Chance of cloud-free hill tops above 600m: 90% plus by day for any given time, with showers generally quick moving.

Low cloud and visibility: Good or very good, but moderate to very poor in wintry showers, with bases lowering towards 600m in association with showers.
